Education

Lighthouse Labs Web Development Bootcamp *Toronto, Ontario, Canada*
ASSOCIATE DEGREE IN FULL STACK WEB DEVELOPMENT *Mar 2020 – May 2020*

University of Calgary *Calgary, Alberta, Canada*
BA IN EAST ASIAN LANGUAGE STUDIES *Sep 2012 – Apr 2018*

Kwansei Gakuin University *Nishinomiya, Hyogo, Japan*
BA IN JAPANESE LANGUAGE - INTENSIVE STREAM *Aug 2014 – Jul 2015*

Experience

conversationHealth *Toronto, Ontario, Canada*
QA ANALYST *Jul 2020 – Present*
- End-to-end testing on pharmaceutical chat bots to find any bugs and errors.
- Testing POC versions before releasing to clients.
- Automating tests using Java to query a Google Cloud Platform database and compare expected results vs. actual.
- Generating test scripts and performing meticulous data entry.

Kinjo Sushi and Grill *Calgary, Alberta, Canada*
KITCHEN SUPERVISOR *Oct 2017 – Aug 2019*
- Responsible for contacting and maintaining good relations with food suppliers through email, phone, and in person.
- Analyzed daily sales projections from previous years to control the amount of food preparation to minimize waste.
- Prepared checklists for the next day and then supervised its completion by delegating work among the staff.
- Utilized Push Operations to log hours and calculate wages. Also used Microsoft Excel to track food cost and inventory.

Rusutsu Ski Resort Japan *Izumikawa, Hokkaido, Japan*
JAPANESE INTERPRETER / ADMINISTRATIVE ASSISTANT *Nov 2016 – April 2017*
- Assisted in training new staff members. (All training between the foreign and Japanese staff went through me as I was the only one capable of translating from Japanese to English and vice versa).
- Interpreting all of the company's internal and external communications between staff, clients, and external companies.

Mark's Warehouse *Calgary, Alberta, Canada*
SALES ASSOCIATE *Aug 2015 – Oct 2016*
- Operated cash registers, managed financial transactions, and balanced drawers at the end of the night during cash out.

Sobeys *Calgary, Alberta, Canada*
CUSTOMER SERVICE REPRESENTATIVE *Jun 2012 – Aug 2014*
- Responsible for operating cash registers and balancing all the registers at the end of the night.
